VOICES OF THE RETURNED

Ancient prophet, Jeremiah

Santa Fe outskirts, North America
Jeremiah was seen speaking quietly with two hikers near an arroyo. The two men came across him and found him weeping. “I saw these days coming ages ago,” he said. “It is an answer to prayer to be here in person.”

Renowned strongman, Samson

Tel Aviv, Israel

Samson assisted in repairs after a minor structural incident at a community center. A crowd gathered to watch and many good-naturedly joined in with the reparations. A local pub provided three free kegs of beer.
